## MESSAGE TO ALL REVENUE COMMISSION NATIONAL DELEGATES

The Revenue Commission maintains a list of all National Delegates to the FIP Revenue Commission. The names and contact details, including email addresses, are given elsewhere on this web site. The National Delegates are appointed by National body of FIP member countries and the delegates are the crucial link between the Bureau and revenue collectors.

However, we do not have current email addresses for all the National Delegates and it would be a great help if all listed National Delegates could confirm their email addresses and other details as given in the web site. Changes of this kind are best sent by email to [dsm30722@bigpond.net.au](mailto:dsm30722@bigpond.net.au).

There are a number of FIP Member nations who do not have a nominated a National Delegate to the Revenue Commission. We would very much welcome such nominations in time for the Congress meeting at Indonesia '12 in June 2012. Such nominations should be from the FIP Member national body and sent to both:

On a personal note I am not standing for election as the Revenue Bureau Secretary at the forthcoming Congress and would like to thank all those National delegates with whom I have been in contact over the past five years or so.
